Spring City Canyon near the town of Spring City Utah in Sanpete County, T16S,R5E.

Description

The Sanpete Ranger District is seeking public comment on a proposed ATV trail loop in Spring City Canyon. This project would consist of the Following:

Status

Public Scoping initiated in January of 2003

1mile of new trail construction in Sec. 5, T16S, R5E.

Utilizing 1 1/2 miles of user created trail in Sec's 7 and 8, T16S, R5E. This section of trail follows the old canyon road alignment and gets ATV's away from the main traffic in the canyon.

Closing 1mile of user created trail in Sec. 9, T16S, R5E that is causing problems.

Utilizing 6 miles of existing road in Spring City Canyon that is currently open to all vehicles.

Utilizing 3 miles of existing ATV trail in Spring City Canyon to complete the loop.

The local ATV club has indicated a willingness to maintain this trail system. Letters of support for the project have been received from representatives from Sanpete County and Spring City Council as well as the local ATV club.
